Defendant reserves the right to amend this response in the event that Defendant becomes aware of any additional documents responsive to this interrogatory.

INTERROGATORY NO. 4: Identify any financial, medical, or legal professional or firm whom you have consulted during the period of January 1, 2020, through the present.

AMENDED RESPONSE: Defendant objects to this interrogatory, as any medical professional, financial professional or legal professional that Defendant consulted with would be information that is not relevant to the claims of Plaintiffs, nor proportional to the needs of the case for the issue in this case which is a narrow issue: (i) whether Defendant was a permanent resident and citizen of the State of Florida pursuant to the Constitution of the State of Florida, (ii) whether condominium unit #5-D located at 315 S. Lake Drive, Palm Beach, Florida (the “Condominium Unit”) was and is and on what date it was the true, fixed, and permanent home and principal establishment of Defendant, and whether such occurred prior to August 5, 2024, and (iii) whether the Condominium Unit was Defendant’s the true, fixed, and permanent home and principal establishment prior to August 5, 2024. Defendant did in fact reside in the State of Florida prior to August 5, 2024 in the Condominium Unit as his true, fixed, and permanent home

and principal establishment, which is the date of relevance for the claims made in this action against Defendant. The further issue in this case is whether Defendant is and was entitled to homestead protection in the State of Florida under the Florida Constitution which is to be determined by Circuit Courts of the State of Florida, and not by a Federal Court in New York. Under the required criteria for claiming a homestead in the State of Florida, Defendant was protected by the homestead laws in the State of Florida prior to August 5, 2024. There is no relevance to this request for the period prior to January 1, 2024, as Defendant listed his cooperative apartment in New York on or about July 19, 2023 when he decided that he would be selling his cooperative apartment in New York and moving to the Florida Condominium Unit as his true, fixed, and permanent home and principal establishment and residence which he did prior to August 5, 2024, as Defendant had maintained a physical presence in his Florida Condominium Unit with the intent to remain there indefinitely.

INTERROGATORY NO. 8: Identify all email accounts, messaging accounts, and phone numbers that You have used during the period January 1, 2023, through the present.

AMENDED RESPONSE:

The request is objectionable due to the safety and security concerns of Defendant. Defendant's email address and cell phone telephone number are not relevant to the claims of Plaintiffs in this case and would create danger to Defendant's personal safety and security. Disclosure could lead to threats, harassment, or physical harm of Defendant. Defendant Rudolph Giuliani was a

former United States Attorney for the Southern District of New York who had obtained approximately 4,000 convictions as the United States attorney in Manhattan from 1983 to 1989, and Mayor of the City of New York who had received threats to his life. Defendant has been the subject of threats to his life at various points during his career. Defendant was known for his policies on crime reduction and prosecutions of criminal organizations. During the prosecution of Mafia members in New York, and Defendant's crackdown on organized crime, Defendant's life was threatened by organized crime figures. As an attorney who was involved in obtaining the Hunter Biden laptop, where the laptop's authenticity was denied by many in the United States including President Biden. In October 2020, during the final presidential debate, then-candidate President Biden referred to a letter from 51 former intelligence officials suggesting that the Hunter Biden laptop story had all the classic earmarks of a Russian information operation. President Biden characterized the allegations stemming from the laptop as a Russian plant and a bunch of garbage. However in June 2024, during Hunter Biden's trial on federal gun charges, the laptop and its contents were introduced as evidence, with FBI investigators confirming its authenticity. Defendant's involvement regarding the Hunter Biden laptop and investigating Hunter Biden, his associates and attorneys involvement with Burisma Holdings, a Ukrainian natural gas company in Ukraine, such legal work increased Defendant's visibility and attracted hostility and threats from supporters of President Joseph Biden and those who stated that the laptop was Russian disinformation. Additionally, inasmuch as one of Plaintiffs' counsel representing the Plaintiffs' in this case was an attorney who worked with

Hunter Biden at Boies Shiller Flexner and allegedly with Burisma Holdings, and was Associate Counsel to former U.S. President Barack Obama, providing Defendant's email address and cell phone telephone number are not relevant to the issues in this case and the claims of Plaintiffs in this case and would create danger to Defendant's personal safety and security. It would be unsafe for Defendant Rudolph Giuliani to disclose his email address and cell phone telephone number. Protecting unnecessary disclosure of private and personal information is a concern that runs with equal strength through the federal system. *Benacquista v Spratt*, 2017 US Dist LEXIS 226901, at * (N.D.N.Y. Mar. 7, 2017, No. 1:16-CV-0581 (DNH/DJS)) citing S.E.C. v. Rajaratnam, 622 F.3d 159 (2d Cir. 2010).

INTERROGATORY NO. 9: Identify in detail the efforts you undertook to preserve relevant evidence and to collect and produce responsive materials in response to Plaintiffs' Requests for Production.

AMENDED RESPONSE: Defendant did not throw out any documents, Defendant states that he has maintained whatever documents that Defendant had regarding responsive materials in response to Plaintiffs' Requests for Production. Defendant states that he searched through all of his records to obtain responsive materials in response to Plaintiffs' Requests for Production.

Re: 45 East 66 Street, Apt. 10W

EXCLUSIVE RIGHT TO SELL - COOPERATIVE

Dear Mr. Giuliani:

This agreement sets forth the terms under which you engage our firm, Sotheby's International Realty, a licensed real estate broker (sometimes herein referred to as "SIR"), to act as brokerage agent in the sale of the referenced premises (the "Premises").

1. (a) You authorize SIR to offer the Premises for sale at a price of \$6,500,000 (or such other amount as you may indicate to SIR orally or in writing from time to time) during the period commencing on the date this Agreement is fully executed and ending on 6-months from the date the Premises is first publicly listed for sale (the "Listing Term"). In the event the Premises is not publicly listed for sale this agreement shall terminate one year from the date this Agreement is executed. Notwithstanding the forgoing, if you enter into a contract sale for the Premises, all rights and obligations under this agreement shall automatically extend through the date of the actual Closing of the Premises.

(b) SIR shall confirm the monthly maintenance and number of shares associated with the Premises with your managing agent and shall send the same to you for approval prior to listing the Premises for sale.

2. We will arrange inspections by prospective purchasers and you will facilitate these inspections in an appropriate manner. We will submit to you all purchase offers and will act in accordance with your instructions with respect to each such offer. SIR will use its own advertising and public relations staff to advertise and promote the Premises through exposure in appropriate publications.

3. You have advised us that the Premises are not now the subject of a listing agreement with any other broker and you agree that you will not advertise the sale of the Premises or list the Premises with any other broker during the Listing Term. You will refer to us promptly all inquiries concerning the Premises which you may receive.

4. (a) Our commission shall be in an amount equal to 5% of the purchase price for the Premises except that if the Purchaser is procured directly by Serena Boardman with no cooperating broker then the commission shall be an amount equal to 4% of the purchase price of the Premises (the "Commission"). SIR shall offer 2.5% of the purchase price of the Premises as compensation to cooperating brokers. If during the Listing Term a contract is signed to sell the Premises to any person and a closing of the sale of the premises (a "Closing") occurs at any time with such person, then the Commission will be payable to us at that Closing.

(b) Within seven (7) business days after the expiration of the Listing Term, we shall deliver to you in writing a list of no more than six (6) names of persons who inspected the Premises during the Listing Term. If within ninety (90) days after the expiration of the Listing Term a contract is signed to sell the Premises to a person on said list (or related entity), we shall be entitled to the Commission provided for in paragraph 4(a) of this Agreement. You represent and warrant that if a new exclusive listing agreement is executed with another real estate broker (the "New Exclusive Broker"), you will notify the New Exclusive Broker of this provision and that SIR may negotiate directly with the Owner with respect to any person on the list during the ninety (90) day protected period.

(c) Unless and until a Closing shall occur, you will not be obligated to pay us any Commission, provided, however, that if a Closing does not occur or is delayed by reason of your failure or refusal to facilitate it, then you shall nevertheless pay to us on demand the Commission as if the Closing had occurred and provided, further, that if you retain, or become legally entitled to retain (whether or not you do in fact retain), the deposit paid by the prospective purchaser under a contract of sale, or if you receive any other payment from a prospective purchaser, then you shall pay to us an amount equal to

10% of such deposit or other payment, whichever is greater.

5. As a member of The Real Estate Board of New York ("REBNY"), we are required to inform all other REBNY member real estate brokers of your Premises ("Co-Broking") and invite their cooperation for sale via the REBNY Listing Service ("RLS") simultaneously with any public dissemination of such Exclusive Listing unless you specify in writing that you do not wish that the Property be Co-Brokered through the RLS. Public dissemination includes, but is not limited to, the display of the Exclusive Listing on our public website, any third-party website, or any other public disclosure of the Listing Information. You authorize us to invite the cooperation of and to retain other real estate brokers, some or all of whom may be acting on behalf of prospective purchasers in connection with offering the Premises for sale. We agree to compensate any such other brokers retained by us from the Commission received by us hereunder.

6. You represent that you own the Premises and may enter into this agreement and sell the Premises without any other person's consent. You represent that all information about the Premises that you have provided to us was, and that all such information which you will provide to us will be, true, complete and accurate when provided and that you will not fail to disclose to us any fact which might be material to a prospective purchaser's decision to purchase the Premises or which might be legally required to be disclosed to a prospective purchaser.

7. In consideration of our efforts pursuant to this Agreement, you agree that during the Listing Term you will not enter into any lease, or agreement to lease, with respect to the Premises. Should you enter into a lease of the Premises during the term of this Agreement you shall be obligated to pay SIR a commission equivalent to fifteen percent (15%) Percent of the aggregate rental due under the first "Lease Year". (The term "Lease Year", as used in the preceding sentence, shall be deemed to be the first consecutive 12 months following the date of your actual receipt of the first full rental payment under a lease for the Premises.) Should the Premises thereafter be purchased by such lessee, or any entity owned and/or controlled by such lessee, or any individual or entity that is otherwise affiliated with such lessee, including any designee of the lessee, you agree to pay SIR, at the time of closing of title, a commission of five (5%) Percent of the contracted for purchase price.

8. In the event that either party shall commence any action or proceeding to enforce the terms of this Agreement, the prevailing party shall be entitled to, and the other party shall pay to the prevailing party, its actual costs of such action or proceeding, including actual attorneys' fees.

9. You shall instruct your attorney to include a provision in the contract of sale, which would require that the purchaser allow SIR the right to review and comment on a board package prior to submission to the board of directors of the cooperation or condominium as the case may be.

10. This agreement (a) shall be governed by the laws of the state in which the premises are located applicable to contracts made and to be performed wholly in such state, (b) sets forth the entire understanding between us and supersedes all prior agreements or understandings, and (c) cannot be changed, modified or amended, nor can any of its provisions be waived, except by an agreement in writing signed by the party to be charged. If this Agreement is signed by two or more persons as owners of the premises, the liability of each hereunder shall be joint and several.

11. As used herein, the term "person" shall mean natural persons, partnerships, corporations, trusts and other entities.

Your agreement with SIR provides for an Exclusive Right to Sell listing. By New York State law, we are required to provide the following explanations:

An "Exclusive Right to Sell" listing means that if you, the owner of the property, find a buyer for your house, or if another broker finds a buyer, you must pay the agreed commission to the present broker.

An "Exclusive Agency" listing means that if you the owner of the property find a buyer, you will not have to pay a commission to the broker. However, if another broker finds a buyer, you will owe a commission to both the selling broker and your present broker.

Penalties

The property appraiser has a duty to put a tax lien on your property if you received a homestead exemption during the past 10 years that you were not entitled to. The property appraiser will notify you that taxes with penalties and interest are due. You will have 30 days to pay before a lien is recorded. If this was not an error by the property appraiser, you will be subject to a penalty of 50 percent of the unpaid taxes and 15 percent interest each year (see s. 196.011(9)(a), F.S.). For special requirements for estates probated or administered outside Florida, see s. 196.161(1), F.S.

The information in this application will be given to the Department of Revenue. Under s. 196.121, F.S., the Department and property appraisers can give this information to any state where the applicant has resided. Social security numbers will remain confidential under s.193.114(5), F.S.

EXEMPTION AND DISCOUNT REQUIREMENTS

Homestead Every person who owns real property in Florida on January 1, makes the property his or her permanent residence or the permanent residence of a legal or natural dependent, and files an application may receive a property tax exemption up to \$50,000. The first \$25,000 applies to all property taxes. The added \$25,000 applies to assessed value over \$50,000 and only to non-school taxes.

Your local property appraiser will determine whether you are eligible. The appraiser may consider information such as the items requested on the bottom of page 1.

Save our Homes (SOH) Beginning the year after you receive homestead exemption, the assessment on your home cannot increase by more than the lesser of the change in the Consumer Price Index or 3 percent each year, no matter how much the just value increases. If you have moved from one Florida homestead to another within the last three years, you may be eligible to take some of your SOH savings with you. See your property appraiser for more information.

**This page does not contain all the requirements that determine your eligibility for an exemption.
Consult your local property appraiser and Chapter 196, Florida Statutes, for details.**

AMENDED

Any exemption that impacts your property is listed in this section along with its corresponding exempt value. Specific dollar or percentage reductions in assessed value may be applicable to a property based upon certain qualifications of the property or property owner. In some cases, an exemption's value may vary depending on the taxing authority. The tax impact of an exempt value may also vary for the same taxing authority, depending on the levy (i.e. operating millage vs debt service millage).

Citibank, N.A. is custodian of your Citibank IRA and trustee of your Citibank Keogh Plan.

CHECKING PLUS DISCLOSURES

Checking Plus Line of Credit - Fixed Rate and Variable Rate

Average Daily Balance: The Average Daily Balance is computed by taking the beginning balance on your account each day, adding any new advances and adjustments as of the day they are made, and subtracting any payments as of the day received, credits as of the day issued, and any unpaid Interest Charges or other fees and charges. This gives you a daily balance. Add up all the daily balances for the statement period and divide the total by the number of days in the statement period. This gives you the Average Daily Balance. For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest Charge: The Interest Charge is computed by applying the Daily Periodic Rate to the "daily balance" of your account for each day in the statement period. To get the "daily balance" we take the beginning balance each day, add any new advances and adjustments, and subtract any unpaid interest or other finance charges and any payments or credits. This gives us the daily balance. You may verify the amount of the Interest Charge by (1) multiplying each of the average daily balances by the number of days this rate was in effect, and then (2) multiplying each of the results by the applicable Daily Periodic Rate, and (3) adding these products together. (All of these numbers can be found in the table called "Interest Charge Calculation". Each average daily balance is disclosed as Balance Subject to Interest Rate. The daily periodic rate is the Annual Percentage Rate divided by 365, except in leap years when it will be divided by 366.) For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest Charges are assessed on loans as of the day we pay your check or otherwise make funds available to you from your account. The total Interest Charges paid during the year will be shown on your statement. We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Payment Instructions: You can make payments online via www.citibank.com, at any Citibank branch, Citibank Banking Center, or by mail. If paying by mail, you must include your account number and send your payment to: **Citibank, N.A., PO Box 78003, Phoenix, AZ 85062-8003**

Other Information: Checks drawn against a business account are not acceptable as payment for a personal loan obligation.

Request for Credit Balance Refunds: If your statement shows a credit balance it means your loan payments have exceeded the total amount you owe. You may request a full refund of the credit balance by writing to us at the address shown on the first page of your statement. You are entitled to remedies for error resolution for an electronic funds transfer in accordance with the Electronic Funds Transfer Act and federal Regulation E or in accordance with laws of the state where your account is located as may be applicable. See your Client Manual for details.

IRAs AND KEOGH PLANS Citibank, N.A. is custodian of your Citibank IRA and trustee of your Citibank Keogh Plan.**CHECKING PLUS DISCLOSURES****Checking Plus Line of Credit - Fixed Rate and Variable Rate**

Average Daily Balance: The Average Daily Balance is computed by taking the beginning balance on your account each day, adding any new advances and adjustments as of the day they are made, and subtracting any payments as of the day received, credits as of the day issued, and any unpaid Interest Charges or other fees and charges. This gives you a daily balance. Add up all the daily balances for the statement period and divide the total by the number of days in the statement period. This gives you the Average Daily Balance. For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest Charge: The Interest Charge is computed by applying the Daily Periodic Rate to the "daily balance" of your account for each day in the statement period. To get the "daily balance" we take the beginning balance each day, add any new advances and adjustments, and subtract any unpaid interest or other finance charges and any payments or credits. This gives us the daily balance. You may verify the amount of the Interest Charge by (1) multiplying each of the average daily balances by the number of days this rate was in effect, and then (2) multiplying each of the results by the applicable Daily Periodic Rate, and (3) adding these products together. (All of these numbers can be found in the table called "Interest Charge Calculation". Each average daily balance is disclosed as Balance Subject to Interest Rate. The daily periodic rate is the Annual Percentage Rate divided by 365, except in leap years when it will be divided by 366.) For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest Charges are assessed on loans as of the day we pay your check or otherwise make funds available to you from your account. The total Interest Charges paid during the year will be shown on your statement. We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Payment Instructions: You can make payments online via www.citibank.com, at any Citibank branch, Citibank Banking Center, or by mail. If paying by mail, you must include your account number and send your payment to: **Citibank, N.A., PO Box 78003, Phoenix, AZ 85062-8003**

Other Information: Checks drawn against a business account are not acceptable as payment for a personal loan obligation.

Request for Credit Balance Refunds: If your statement shows a credit balance it means your loan payments have exceeded the total amount you owe. You may request a full refund of the credit balance by writing to us at the address shown on the first page of your statement. You are entitled to remedies for error resolution for an electronic funds transfer in accordance with the Electronic Funds Transfer Act and federal Regulation E or in accordance with laws of the state where your account is located as may be applicable. See your Client Manual for details.

Other banks and ATM service providers may charge you a fee when you conduct a Citibank deposit account transaction using their ATMs. You will receive reimbursement from Citibank for ATM fees charged by other banks in any statement period where you are eligible for Citigold.

Please refer to your Client Manual-Consumer Accounts and Marketplace Addendum booklet for details on how we determine your monthly fees and charges.

IRAs AND KEOGH PLANS

Citibank, N.A. is custodian of your Citibank IRA and trustee of your Citibank Keogh Plan.

CHECKING PLUS DISCLOSURES

Checking Plus Line of Credit - Fixed Rate and Variable Rate

Average Daily Balance: The Average Daily Balance is computed by taking the beginning balance on your account each day, adding any new advances and adjustments as of the day they are made, and subtracting any payments as of the day received, credits as of the day issued, and any unpaid Interest Charges or other fees and charges. This gives you a daily balance. Add up all the daily balances for the statement period and divide the total by the number of days in the statement period. This gives you the Average Daily Balance. For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest Charge: The Interest Charge is computed by applying the Daily Periodic Rate to the "daily balance" of your account for each day in the statement period. To get the "daily balance" we take the beginning balance each day, add any new advances and adjustments, and subtract any unpaid interest or other finance charges and any payments or credits. This gives us the daily balance. You may verify the amount of the Interest Charge by (1) multiplying each of the average daily balances by the number of days this rate was in effect, and then (2) multiplying each of the results by the applicable Daily Periodic Rate, and (3) adding these products together. (All of these numbers can be found in the table called "Interest Charge Calculation". Each average daily balance is disclosed as Balance Subject to Interest Rate. The daily periodic rate is the Annual Percentage Rate divided by 365, except in leap years when it will be divided by 366.) For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest Charges are assessed on loans as of the day we pay your check or otherwise make funds available to you from your account. The total Interest Charges paid during the year will be shown on your statement. We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Payment Instructions: You can make payments online via www.citibank.com, at any Citibank branch, Citibank Banking Center, or by mail. If paying by mail, you must include your account number and send your payment to: **Citibank, N.A., PO Box 78003, Phoenix, AZ 85062-8003**

Other Information: Checks drawn against a business account are not acceptable as payment for a personal loan obligation.

Request for Credit Balance Refunds: If your statement shows a credit balance it means your loan payments have exceeded the total amount you owe. You may request a full refund of the credit balance by writing to us at the address shown on the first page of your statement. You are entitled to remedies for error resolution for an electronic funds transfer in accordance with the Electronic Funds Transfer Act and federal Regulation E or in accordance with laws of the state where your account is located as may be applicable. See your Client Manual for details.

IRAs AND KEOGH PLANS

Citibank, N.A. is custodian of your Citibank IRA and trustee of your Citibank Keogh Plan.

CHECKING PLUS DISCLOSURES

Checking Plus Line of Credit - Fixed Rate and Variable Rate

Average Daily Balance: The Average Daily Balance is computed by taking the beginning balance on your account each day, adding any new advances and adjustments as of the day they are made, and subtracting any payments as of the day received, credits as of the day issued, and any unpaid interest charges or other fees and charges. This gives you the Average Daily Balance. For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest Charge: The Interest Charge is computed by applying the Daily Periodic Rate to the "daily balance" of your account for each day in the statement period. To get the "daily balance" we take the beginning balance each day, add any new advances and adjustments, and subtract any unpaid interest or other finance charges and any payments or credits. This gives us the daily balance. You may verify the amount of the interest charge by (1) multiplying each of the average daily balances by the number of days this rate was in effect, and then (2) multiplying each of the results by the applicable Daily Periodic Rate, and (3) adding these products together. (All of these numbers can be found in the table called "Interest Charge Calculation". Each average daily balance is disclosed as Balance Subject to Interest Rate. The daily periodic rate is the Annual Percentage Rate divided by 365, except in leap years when it will be divided by 366.) For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest Charges are assessed on loans as of the day we pay your check or otherwise make funds available to you from your account. The total Interest Charges paid during the year will be shown on your statement. We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Payment Instructions: You can make payments online via www.citibank.com, at any Citibank branch, Citicard Banking Center, or by mail. If paying by mail, you must include your account number and send your payment to: **Citibank, N.A., PO Box 78003, Phoenix, AZ 85062-8003**

Other Information: Checks drawn against a business account are not acceptable as payment for a personal loan obligation.

Request for Credit Balance Refunds: If your statement shows a credit balance it means your loan payments have exceeded the total amount you owe. You may request a full refund of the credit balance by writing to us at the address shown on the first page of your statement.

You are entitled to remedies for error resolution for an electronic funds transfer in accordance with the Electronic Funds Transfer Act and federal Regulation E or in accordance with laws of the state where your account is located as may be applicable. See your Client Manual Agreement for details.

- Your Combined Average Monthly Balance (CAMB) is the summation of the End of Day Available Now balances for all Eligible Deposit and Investment account(s) (EDI) across a calendar month divided by the number of days in that month. CAMB is based on the calendar month and is not tied to Your Statement Period. Only certain account types qualify as EDI accounts and you must be the owner (or beneficial owner) of an EDI account for it to contribute toward your CAMB. All of the EDI accounts contributing to your CAMB may not appear on this Account Statement. Some accounts that appear on this Account Statement are not EDI accounts. Please call us to learn which EDI accounts you own that contribute to your CAMB.

Eligible Family Members who live at the same address can choose to link their EDI accounts creating a Family CAMB range. Please see definition of Eligible Family Members in the Family Link section of the Client Manual Agreement. Retirement accounts have different rules for Family Linking than other EDI accounts. You may invite or be invited by Eligible Family Members (Members) to Family Linking. Starting in the first month existing deposit customers who are Eligible Family Members ("Members") successfully join or create a Family Link, their family CAMB will include EDI accounts they own along with EDI accounts owned by Members. If you were converted to a Legacy Relationship along with owners of accounts in your Package(s) pursuant to separate notice which provided the Effective Date of that conversion, similar to Family Linking the CAMB for Members in Legacy Relationships will include all EDI accounts they own along with EDI accounts owned by Members. Your family or legacy relationship CAMB may be higher than your individual CAMB, entitling you to join a Relationship Tier or different Relationships Tier. If you no longer want to be a member of Family Linking or a Legacy Relationships or no longer qualify for Family Linking or Legacy Relationships, speak to a banker on the phone or in a branch. Please see the Client Manual Agreement for more information on Family Links and Legacy Relationships.

- Your Relationship Tier status will determine your Annual Percentage Yield for Citi Savings accounts (but not other Savings accounts) and may impact your eligibility for Monthly Service Fee and Non-Citi ATM waivers, along with other fees, features and benefits. Customers who did not own a Citibank checking, savings, CD, IRA, or investment account (investment accounts are offered through CGM) in the 30 calendar days prior to opening their new EDI account ("New to Relationship" customers) may choose their Relationship Tier when opening the new EDI account. Re-Tiering will begin reviewing New to Relationship customer CAMB in the first full month after account opening, but it takes three months of sustained Balance Ranges for an Up-Tiering or Re-Tiering Out change. Unless a Tier exception applies, customers are Re-Tiered automatically on the first calendar day of the month. Through Re-Tiering, if an existing customer CAMB range meets the minimum Balance Range required for a higher Relationship Tier for three consecutive calendar months, they will automatically be Up-Tiered. If an existing customer wants to maintain their Relationship Tier, they need to make sure their CAMB does not drop below their Relationship Tier's minimum Balance Range for three consecutive calendar months.

You may be able to join Relationship Tiers faster and maintain Relationship Tiers by enrolling in Tier Acceleration. For three months after enrollment, Citi will review your "End of Day" balances on the last Business Day of the month across all EDI accounts you own ("EOD Balance"). Your EOD Balance is your Available Now Balance across eligible deposit and investment accounts at 10:30 p.m. EST. If your EOD balance meets the Balance Range for the same or a higher Relationship Tier on one or more eligible months, you will join that Relationship Tier on the first day of the next calendar month.

Your individual Account Statement will show both your current monthly Relationship Tier and up to 3 months of CAMB and Relationship Tier history.

Important: When customers own accounts as joint Owners, the Relationship Tier associated with their account will be determined by the highest Relationship Tier among joint owners. The CAMB shown on a joint Account Statement will show the highest CAMB range among account owners.

Important: On statements, Joint Account owners will see the highest balance range of CAMB and highest Relationship Tier among Joint Account owners. Family Relationship members will see the Family CAMB range. Members in a Legacy Relationship will see the Legacy Relationship CAMB range. As a result, Joint Account owners, Family Linking members, and Members of Legacy Relationships may be able to deduce approximate balances of other owners and members. When deciding to open a Joint Account, join a Family Linking, or remain in Legacy Relationships, customers should evaluate their privacy needs, along with their need for rate and fee advantages.

CHECKING PLUS DISCLOSURES

Checking Plus Line of Credit - Fixed Rate and Variable Rate

Average Daily Balance: The Average Daily Balance is computed by taking the beginning balance on your account each day, adding any new advances and adjustments as of the day they are made, and subtracting any payments as of the day received, credits as of the day issued, and any unpaid interest charges or other fees and charges. This gives you a daily balance. Add up all the daily balances for the statement period and divide the total by the number of days in the statement period. This gives you the Average Daily Balance. For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest Charge: The Interest Charge is computed by applying the Daily Periodic Rate to the "daily balance" of your account for each day in the statement period. To get the "daily balance" we take the beginning balance each day, add any new advances and adjustments, and subtract any unpaid interest or other finance charges and any payments or credits. This gives us the daily balance. You may verify the amount of the interest charge by (1) multiplying each of the average daily balances by the number of days this rate was in effect, and then (2) multiplying each of the results by the applicable Daily Periodic Rate, and (3) adding these products together. (All of these numbers can be found in the table called "Interest Charge Calculation". Each average daily balance is disclosed as Balance Subject to Interest Rate. The daily periodic rate is the Annual Percentage Rate divided by 365, except in leap years when it will be divided by 366.) For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary. Interest Charges are assessed on loans as of the day we pay your check or otherwise make funds available to you from your account. The total Interest Charges paid during the year will be shown on your statement. We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Payment Instructions: You can make payments online via www.citibank.com, at any Citibank branch, Citicard Banking Center, or by mail. If paying by mail, you must include your account number and send your payment to: **Citibank, N.A., PO Box 78003, Phoenix, AZ 85062-8003**

Other Information: Checks drawn against a business account are not acceptable as payment for a personal loan obligation. Requests for Credit Balance Refunds: If your statement shows a credit balance it means your loan payments have exceeded the total amount you owe. You may request a full refund of the credit balance by writing to us at the address shown on the first page of your statement. You are entitled to remedies for error resolution for an electronic funds transfer in accordance with the Electronic Funds Transfer Act and federal Regulation E or in accordance with laws of the state where your account is located as may be applicable. See your Client Manual Agreement for details.

- Your Combined Average Monthly Balance (CAMB) is the summation of the End of Day Available Now balances for all Eligible Deposit and Investment account(s) (EDI) across a calendar month divided by the number of days in that month. CAMB is based on the calendar month and is not tied to Your Statement Period. Only certain account types qualify as EDI accounts and you must be the owner (or beneficial owner) of an EDI account for it to contribute toward your CAMB. All of the EDI accounts contributing to your CAMB may not appear on this Account Statement. Some accounts that appear on this Account Statement are not EDI accounts. Please call us to learn which EDI accounts you own that contribute to your CAMB.

Eligible Family Members who live at the same address can choose to link their EDI accounts creating a Family CAMB range. Please see definition of Eligible Family Members in the Family Link section of the Client Manual Agreement. Retirement accounts have different rules for Family Linking than other EDI accounts. You may invite or be invited by Eligible Family Members (Members) to Family Linking. Starting in the first month existing deposit customers who are Eligible Family Members ("Members") successfully join or create a Family Link, their family CAMB will include EDI accounts owned by Members. If you were converted to a Legacy Relationship along with owners of accounts in your Package(s) pursuant to separate notice which provided the Effective Date of that conversion, similar to Family Linking the CAMB for Members in Legacy Relationships will include all EDI accounts they own along with EDI accounts owned by Members. Your family or legacy relationship CAMB may be higher than your individual CAMB, entitling you to join a Relationship Tier or different Relationships Tier. If you no longer want to be a member of Family Linking or a Legacy Relationships or no longer qualify for Family Linking or Legacy Relationships, speak to a banker on the phone or in a branch. Please see the Client Manual Agreement for more information on Family Links and Legacy Relationships.

- Your Relationship Tier status will determine your Annual Percentage Yield for Citi Savings accounts (but not other Savings accounts) and may impact your eligibility for Monthly Service Fee and Non-Citi ATM waivers, along with other fees, features and benefits. Customers who did not own a Citibank checking, savings, CD, IRA, or investment account (investment accounts are offered through CGM) in the 30 calendar days prior to opening their new EDI account ("New to Relationship" customers) may choose their Relationship Tier when opening the new EDI account. Re-Tiering will begin reviewing New to Relationship customer CAMB in the first full month after account opening, but it takes three months of sustained Balance Ranges for an Up-Tiering or Re-Tiering Out change. Unless a Tier exception applies, customers are Re-Tiered automatically on the first calendar day of the month. Through Re-Tiering, if an existing customer CAMB range meets the minimum Balance Range required for a higher Relationship Tier for three consecutive calendar months, they will automatically be Up-Tiered. If an existing customer wants to maintain their Relationship Tier, they need to make sure their CAMB does not drop below their Relationship Tier's minimum Balance Range for three consecutive calendar months.

You may be able to join Relationship Tiers faster and maintain Relationship Tiers by enrolling in Tier Acceleration. For three months after enrollment, Citi will review your "End of Day" balances on the last Business Day of the month across all EDI accounts you own ("EOD Balance"). Your EOD Balance is your Available Now Balance across eligible deposit and investment accounts at 10:30 p.m. EST. If your EOD balance meets the Balance Range for the same or a higher Relationship Tier on one or more eligible months, you will join that Relationship Tier on the first day of the next calendar month.

Your individual Account Statement will show both your current monthly Relationship Tier and up to 3 months of CAMB and Relationship Tier history.

Important: When customers own accounts as Joint Owners, the Relationship Tier associated with their account will be determined by the highest Relationship Tier among joint owners. The CAMB shown on a joint Account Statement will show the highest CAMB range among account owners.

Important: On statements, Joint Account owners will see the highest balance range of CAMB and highest Relationship Tier among Joint Account owners. Family Relationship members will see the Family CAMB range. Members in a Legacy Relationship will see the Legacy Relationship CAMB range. As a result, Joint Account owners, Family Linking members, and Members of Legacy Relationships may be able to deduce approximate balances of other owners and members. When deciding to open a Joint Account, join a Family Linking, or remain in Legacy Relationships, customers should evaluate their privacy needs, along with their need for rate and fee advantages.

CHECKING PLUS DISCLOSURES

Checking Plus Line of Credit - Fixed Rate and Variable Rate

Average Daily Balance: The Average Daily Balance is computed by taking the beginning balance on your account each day, adding any new advances and adjustments as of the day they are made, and subtracting any payments as of the day received, credits as of the day issued, and any unpaid interest charges or other fees and charges. This gives you the Average Daily Balance. For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest Charge: The Interest Charge is computed by applying the Daily Periodic Rate to the "daily balance" of your account for each day in the statement period. To get the "daily balance" we take the beginning balance each day, add any new advances and adjustments, and subtract any unpaid interest or other finance charges and any payments or credits. This gives us the daily balance. You may verify the amount of the interest charge by (1) multiplying each of the average daily balances by the number of days this rate was in effect, and then (2) multiplying each of the results by the applicable Daily Periodic Rate, and (3) adding these products together. (All of these numbers can be found in the table called "Interest Charge Calculation". Each average daily balance is disclosed as Balance Subject to Interest Rate. The daily periodic rate is the Annual Percentage Rate divided by 365, except in leap years when it will be divided by 366.) For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest Charges are assessed on loans as of the day we pay your check or otherwise make funds available to you from your account. The total Interest Charges paid during the year will be shown on your statement. We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Payment Instructions: You can make payments online via www.citibank.com, at any Citibank branch, Citicard Banking Center, or by mail. If paying by mail, you must include your account number and send your payment to: **Citibank, N.A., PO Box 78003, Phoenix, AZ 85062-8003**

Other Information: Checks drawn against a business account are not acceptable as payment for a personal loan obligation.

Request for Credit Balance Refunds: If your statement shows a credit balance it means your loan payments have exceeded the total amount you owe. You may request a full refund of the credit balance by writing to us at the address shown on the first page of your statement.

You are entitled to remedies for error resolution for an electronic funds transfer in accordance with the Electronic Funds Transfer Act and federal Regulation E or in accordance with laws of the state where your account is located as may be applicable. See your Client Manual Agreement for details.

Citigold Private Client Account [REDACTED]

- Your Combined Average Monthly Balance (CAMB) is the summation of the End of Day Available Now balances for all Eligible Deposit and Investment account(s) (EDI) across a calendar month divided by the number of days in that month. CAMB is based on the calendar month and is not tied to Your Statement Period. Only certain account types qualify as EDI accounts and you must be the owner (or beneficial owner) of an EDI account for it to contribute toward your CAMB. All of the EDI accounts contributing to your CAMB may not appear on this Account Statement. Some accounts that appear on this Account Statement are not EDI accounts. Please call us to learn which EDI accounts you own that contribute to your CAMB.

Eligible Family Members who live at the same address can choose to link their EDI accounts creating a Family CAMB range. Please see definition of Eligible Family Members in the Family Link section of the Client Manual Agreement. Retirement accounts have different rules for Family Linking than other EDI accounts. You may invite or be invited by Eligible Family Members (Members) to Family Linking. Starting in the first month existing deposit customers who are Eligible Family Members ("Members") successfully join or create a Family Link, their family CAMB will include EDI accounts they own along with EDI accounts owned by Members. If you were converted to a Legacy Relationship along with owners of accounts in your Package(s) pursuant to separate notice which provided the Effective Date of that conversion, similar to Family Linking the CAMB for Members in Legacy Relationships will include all EDI accounts they own along with EDI accounts owned by Members. Your family or legacy relationship CAMB may be higher than your individual CAMB, entitling you to join a Relationship Tier or different Relationships Tier. If you no longer want to be a member of Family Linking or a Legacy Relationships or no longer qualify for Family Linking or Legacy Relationships, speak to a banker on the phone or in a branch. Please see the Client Manual Agreement for more information on Family Links and Legacy Relationships.

- Your Relationship Tier status will determine your Annual Percentage Yield for Citi Savings accounts (but not other Savings accounts) and may impact your eligibility for Monthly Service Fee and Non-Citi ATM waivers, along with other fees, features and benefits. Customers who did not own a Citibank checking, savings, CD, IRA, or investment account (investment accounts are offered through CGM) in the 30 calendar days prior to opening their new EDI account ("New to Relationship" customers) may choose their Relationship Tier when opening the new EDI account. Re-Tiering will begin reviewing New to Relationship customer CAMB in the first full month after account opening, but it takes three months of sustained Balance Ranges for an Up-Tiering or Re-Tiering Out change. Unless a Tier exception applies, customers are Re-Tiered automatically on the first calendar day of the month. Through Re-Tiering, if an existing customer CAMB range meets the minimum Balance Range required for a higher Relationship Tier for three consecutive calendar months, they will automatically be Up-Tiered. If an existing customer wants to maintain their Relationship Tier, they need to make sure their CAMB does not drop below their Relationship Tier's minimum Balance Range for three consecutive calendar months.

You may be able to join Relationship Tiers faster and maintain Relationship Tiers by enrolling in Tier Acceleration. For three months after enrollment, Citi will review your "End of Day" balances on the last Business Day of the month across all EDI accounts you own ("EOD Balance"). Your EOD Balance is your Available Now Balance across eligible deposit and investment accounts at 10:30 p.m. EST. If your EOD balance meets the Balance Range for the same or a higher Relationship Tier on one or more eligible months, you will join that Relationship Tier on the first day of the next calendar month.

Your individual Account Statement will show both your current monthly Relationship Tier and up to 3 months of CAMB and Relationship Tier history.

Important: When customers own accounts as Joint Owners, the Relationship Tier associated with their account will be determined by the highest Relationship Tier among joint owners. The CAMB shown on a joint Account Statement will show the highest CAMB range among account owners.

Important: On statements, Joint Account owners will see the highest balance range of CAMB and highest Relationship Tier among Joint Account owners. Family Relationship members will see the Family CAMB range. Members in a Legacy Relationship will see the Legacy Relationship CAMB range. As a result, Joint Account owners, Family Linking members, and Members of Legacy Relationships may be able to deduce approximate balances of other owners and members. When deciding to open a Joint Account, join a Family Linking, or remain in Legacy Relationships, customers should evaluate their privacy needs, along with their need for rate and fee advantages.
